LISA
RINNA

her pucker
looks plumper

She was famous for her sexy pout on *Melrose Place*, but 41-year-old Lisa's lips look way more bee-stung today. "The upper lip looks overdone," says Dr. Lee, who credits the fullness to Restylane or a similar injectable filler.

KATE
HUDSON

did her
nose shrink?

Kate's button nose makes her look just like her mom, Goldie Hawn, but their faces weren't always so similar. Did Kate, 26, have her nose done? "The whole nose looks narrower," says Beverly Hills plastic surgeon Dr. David Saadat, who does not treat Kate. "It looks like she has had surgery."
